

# SLATE Application System Tips

FSU utilized an on-line application system designed and administered by [SLATE](#). For access to the graduate level application portal, click [FSU On-line Application Portal](#).

**Submit Application Early** since information sent by others is out of your direct control and therefore may not be received in a timely manner. In order for your application to be considered, all documentation (*official transcripts, rGRE scores, letters of recommendation*) must be received before the deadline.

The **rGRE** score reporting code for FSU is 5219; no department code is required.

A **Readmission** student is a person enrolled in the FSU Anthropology Master's Program in the past, who left the program and is requesting to be readmitted into the program.

**Application Fee Payment** is via e-check. It can take from 5 to 10 business days for [SLATE](#) to process payments.

**Letters of Recommendation** are uploaded on-line. In the application, you are required to enter a valid e-mail address for each recommender. When the application is submitted an e-mail is automatically sent to each recommender with a link for them to upload letters of recommendation. It is your responsibility to have the recommenders upload their letters before the deadline.

**Upper Division GPA** is the grade point average (GPA) that you earned in all coursework attempted while registered as an upper-division undergraduate student working towards a bachelor's degree. Upper-division undergraduate coursework includes the entire term in which you attempted your 60<sup>th</sup> semester hour (or 90<sup>th</sup> quarter hour) and continues until completion of the baccalaureate degree.

**Graduate GPA** is the grade point average (GPA) that you earned while enrolled in another master's or doctoral program.

**Official Transcripts** from each college and/or university attended must be submitted to the FSU Office of Admissions. Transfer credit posted on the records of other institutions is not accepted in lieu of transcripts from the original institutions. Transcripts are considered official when they bear an official seal and signature and are sent directly from the issuing college or university to the FSU Office of Admissions.

The address for submitting transcripts via surface mail is:

Florida State University  
Office of Admissions  
282 Champions Way  
PO Box 3062400  
Tallahassee, FL 32306-2400

For electronic transcripts that require an email use [graduateadmissions@fsu.edu](mailto:graduateadmissions@fsu.edu).
